

Support Group (Haus Reil) Meeting

January 25, 2024

- It was discussed how accommodation plans in the HS and ES could be aligned.
- There will be a meeting soon about streamlining supports for students with dyslexia in HS & ES.
- There was a discussion about student/parent reports from math and reading labs. Currently in ES there is an additional report included with report cards from the math and/or reading lab teacher. Ideas for the future (interviews, meetings) were discussed.
- The parent evening for ES was scheduled.
