# GOALS of the SKI TRIP

**INTEGRATION:** encourage getting to know each other and working together  
⇒ cooperative and respectful interaction with each other, deepening friendships and making new ones

Recognize, mediate and resolve **CONFLICTS** (consider different perspectives from different social groups)

Promote the importance of **RELIABILITY** and punctuality in a group structure

Treating others, animals, plants and the environment with **RESPECT**

# RULES - Participating in the Ski Trip is a privilege

# Hate Speech Policy

As adopted by JFKS, hate speech is defined by the United Nations as: *any kind of communication in speech, writing or behaviour, that attacks or uses pejorative or discriminatory language with reference to a person or a group on the basis of who they are, in other words, based on their religion, ethnicity, nationality, race, colour, descent, gender or other identity factor.*

# Hate Speech Policy

When a form of hate speech is used by a member of our school community, the following response will apply:

- 1) Immediately name the behavior and say, “**We do not do that here.**”  
Do not ignore or assume that it is “normal” child behavior.
- 1) Report the incident to a ski trip chaperone *and* provide written documentation.
- 2) The ski trip leader will inform the parents/guardians and to discuss the student’s conduct.
- 3) The ski trip leader will inform the principle to decide upon additional disciplinary measures, as necessary.
