

Admission to German Universities to study Mathematical subjects, Technology, Natural Sciences, Medicine or Pharmacy

High School Diploma

Condition:

Overall, the high school diploma, which is to be considered for university entrance, requires an **unweighted cumulative grade point average (CumGPA) of at least 3.0**.

Condition:

It is obligatory for your High School Diploma to be acquired after continuous attendance in grades 9 to 12 at a US-accredited High School and to comprise a total of 16 "academic units"; in the grades 9 to 12:

- 4 units English: English IV or Honors or AP English with a **minimum grade of C**
- 2 units Second Language*
- 3 units Social Studies
- Mathematics and Science total 5 units
 - 2 or 3 units Mathematics: Algebra II or Trigonometry (11th grade) and Precalculus (12th grade) with a **minimum grade of C**
 - 2 or 3 units Science: in the individual subjects Biology, Chemistry or Physics with a **minimum grade of C**
- 2 Elective academic units

Condition:

Providing your AP tests cover the compulsory subjects specified below, **with at least grade of 3**, you qualify for direct subject-restricted admission for **Mathematical subjects, Technology, Natural Sciences, Medicine or Pharmacy**.

- Mathematics (**Calculus AB or BC**)
- 1 natural science subject (Biology, Chemistry or **two half AP tests in Physics C**)
- 1 language (**French, Spanish, Latin, German*, English Literature or English Language and Composition**)
- 1 further subject (e.g. European History, American History, Computer Science A)

All AP exams must be taken by the time you graduate from high school. Beforehand, you must have taken a corresponding subject course for each AP subject in 11th or 12th grade.

*For students who attended school in Germany before attending school in the USA or whose language of instruction is German, the subject "German", which is usually taught in the USA as "German as a foreign language", does not constitute a foreign language.
