Drama 10
Collaborative Drama

Novices & experienced performers welcomed!

What you'll learn:

- devising OR how to create your own drama!
- how to work together creatively with other students in groups
- a better understanding of yourself and the world around you
- how to design sets to fit a time, place, and character
- an understanding of theatre's role in society
- use of voice projection and articulation for clear and effective speech
- how to use your experiences, emotions, and intellect as creative material

Course Content:
What we'll do

1: Beginning Improv Techniques
- *Learn how to think and act on the spot!*

2: Duet Together
- *Work with a partner to analyze a scene and prepare a performance!*

3: Medieval & Renaissance Drama
- *Select and perform Shakespearean comedies in small groups!*

4: Costume, Set, and Lighting Design
- *Go behind the scenes and discover the creative process of design!*

Your spotlight awaits...
Sign up for drama today!
