

French

elective

8th grade

John F. Kennedy School / French Department

Quelles sont les conditions?

French as an elective:

- as a fourth language (for students with Spanish as a third language)
- as a third language for D3 students promoted to D2 (mandatory if they are in the Abitur program)
- as a third language for D3 and D4 students who are interested in learning an additional language

Les informations générales

- 3 hours per week in each school year
- 8th to 10th grade is recommended, but it is also possible to stop after each school year and to switch to a non linguistic elective
- Students can continue in grades 11 and 12 in a Grundkurs, AP course or even Leistungskurs (if they have reached the level)

Pourquoi le français?

- French is one of the three most important vehicular languages worldwide
- French is the second most spoken native language in Europe after German
- French is an important diplomatic language and language of the EU institutions
- France is our direct neighbor and one of Germany's most important trade partners and tourist destinations
- France is Germany's most important political partner
- French cuisine is famous and very popular in the world
